

# White Lies

J Sutta

Uh Oh..

Im being pulled into the fire  
It's a toxic flame (a toxic flame)  
Im too close and theres a good chance  
That I wont get away

And I need it going into the daylight (into the day)  
And Im lookin' for it into the night (into the night)  
And then I think about it  
And I can't live without it  
You're tellin' me that that's alright

Can't get enough  
Can't given up (up, up)  
When you're tellin' me the  
White lies, champagne

Yeah it's gettin' rough  
And I wanna to know  
If I'm addicted to your  
White lies in vain

Can't get enough  
Can't given up (up, up)  
When you're tellin' me the  
White lies, champagne (champagne)

Yeah it's gettin' rough  
And I wanna to know  
If I'm addicted to your  
White lies in vain  
White Lies  
White Lies

Don't go  
I tell myself that I'm not really hooked on you  
But I know  
If I stay then the use will become abuse (abuse)

When I'm trying hard to break the fever (into the day)  
And the medicine just won't take (into the night)  
And then I think about it  
And I can't live without it  
You're tellin' me that that's alright

Can't get enough  
Can't given up (up, up)  
When you're tellin' me the  
White lies, champagne (champagne)

Yeah it's gettin' rough  
And I wanna to know  
If I'm addicted to your  
White lies in vain

Can't get enough
