

# Alive

Jessie J

[Verse:]

This is it, now it's in our hands  
I know you feel it  
We could've quit but we choose to dance  
But best believe it

[Pre-Chorus:]

We took it in baby from the start  
We choose the light and forgot the dark  
So bright this moment with a million stars (stars)  
So everybody sing with me

[Chorus:]

Luckily see you 'cause of I  
Don't play on it because tonight  
We're flying free like birds in the sky  
'Cause we're alive (live)  
Let's raise a glass to you and I  
Let's show and tell that we survived  
We're flying free like birds in the sky  
'Cause we're alive  
(1, 2, 3) We're alive! (oh oh)  
(1, 2, 3) So alive! (oh oh)  
(1, 2, 3) We're alive! (oh oh)  
(1, 2, 3) So alive! (live, live)

[Verse:]

Here we are, now it's in our hands  
Oh yea we feel it  
Don't let it stop, you got to dance  
But best believe it

[Pre-Chorus:]

We took it in baby from the start  
We choose the light and forgot the dark  
So bright this moment with a million stars (stars)  
So everybody sing with me

[Chorus: 2x]

Luckily see you 'cause of I  
Don't play on it because tonight  
We're flying free like birds in the sky  
'Cause we're alive (live)  
Let's raise a glass to you and I  
Let's show and tell that we survived  
We're flying free like birds in the sky  
'Cause we're alive  
(1, 2, 3) We're alive! (oh oh)  
(1, 2, 3) So alive! (oh oh)  
(1, 2, 3) We're alive! (oh oh)  
(1, 2, 3) So alive! (live, live)

(1, 2, 3) We're alive! (oh oh)  
(1, 2, 3) So alive! (oh oh)  
(1, 2, 3) So alive! (live, live)
