

# Casualty of Love

Jessie J

We may not have all the answers  
I know that we can change some of the things that are beyond our control  
And the vision of us may be blurry  
But use your heart to see  
Just follow the beat, the rhythm will lead you right back to me

Sometimes it's a game of give and take  
It's easy to break  
But hold on and wait  
Have a little faith

I will go down to the last round  
I'll be your strength to find you when you get lost in the crowd  
So I'll stand up tall, if by chance I fall  
Then I'll go down as a casualty of love

The battle of us could be simple  
Escape without being hurt  
Cause love is our shield, keeps us concealed  
From what could get even worse

So baby let me be your soldier  
Don't be overtaken by pride  
Just close your eyes, take my hand  
Promise to keep us alive

Sometimes it's a game of give and take  
It's easy to break  
But hold on and wait  
Have a little faith

I will go down to the last round  
I'll be your strength to find you when you get lost in the crowd  
So I'll stand up tall, if by chance I fall  
Then I'll go down as a casualty of love

All is fair  
In love and war  
Knock me down  
And I'll get back up wanting more  
Through the fire and rain  
It makes me numb from the pain  
That's the price, that's the price, I'll pay

I will go down to the last round  
I'll be your strength to find you when you get lost in the crowd  
So I'll stand up tall, Baby if I fall  
Then I'll go down as a casualty of love
