Nobody's Perfect

When I'm nervous I have this thing, yeah, I talk too much Sometimes I just can't shut the hell up It's like I need to tell someone, anyone who'll listen And that's where I seem to fuck up

Yeah, I forget about the consequences For a minute there I lose my senses And in the heat of the moment my mouth starts going The words start flowing, oh

But I never meant to hurt you I know it's time that I learned to Treat the people I love like I wanna be loved This is a lesson learned

I hate that I let you down And I feel so bad about it I guess karma comes back around 'Cause now I'm the one that's hurting, yeah

And I hate that I made you think That the trust we had is broken Don't tell me you can't forgive me 'Cause nobody's perfect No, no, no, no, no, no, nobody's perfect, no

If I could turn back the hands of time I swear I never would've crossed that line I should of kept it between us But, no, I went and told the whole world how I feel and oh

So I sit and I realize With these tears falling from my eyes I gotta change if I wanna keep you forever I promise that I'm gonna try

But I never meant to hurt you I know it's time that I learned to Treat the people I love like I wanna be loved This is a lesson learned

I hate that I let you down And I feel so bad about it I guess karma comes back around 'Cause now I'm the one that's hurting, yeah

And I hate that I made you think That the trust we had is broken So don't tell me you can't forgive me 'Cause nobody's perfect No, no, no, no, no, no, no, nobody's perfect

I'm not a saint, no, not at all, but what I did, it wasn't cool But I swear that I'll never do that again to you, oh I'm not a saint, no, not at all, but what I did, it wasn't cool But I swear that I'll never do that again to you, yeah I hate that I let you down And I feel so bad about it I guess karma comes back around 'Cause now I'm the one that's hurting, yeah

And I hate that I made you think That the trust we had is broken So don't tell me you can't forgive me 'Cause nobody's perfect, no

I hate that I let you down And I feel so bad about it I guess karma comes back around 'Cause now I'm the one that's hurting, yeah

And I hate that I made you think That the trust we had is broken So tell me you can forgive me 'Cause nobody's perfect, yeah, yeah, whoa

Don't tell me, don't tell Don't tell me you can't forgive me No, no, no, no 'Cause nobody's perfect, no
