Jessie J

1. He grew up in the city  
Had a lot of money  
Sponging off his daddy all the time  
He lives in a bubble  
Never had to struggle  
He's far from the benefit line
- X: But he feels blue sometimes  
And he blood bleeds red like mine  
The grass is greener on the other side  
What I'm saying is we're all alike
- R: We're the colours of the rainbow (yeah, yeah)  
Let's share our pot of gold  
We're the colours of the rainbow (yeah, yeah)  
Everybody's on the yellow brick road  
There's enough for you, you, you  
There's enough for me, me, me  
We're the colours of the rainbow (yeah, yeah)  
We're the colours of the rainbow (yeah, yeah)

Rainbow [7x]

2. There's mummy in the ghetto  
Gotta work it double  
Just to pay the bills and get by  
But more power to ya  
You're doing what you do-a  
Everybody's steady on the grime
- X: But you feel blue sometimes  
And you're blood bleeds red like mine  
The grass is greener on the other side  
What I'm saying is we're all alike
- R: We're the colours...
- \*: Hello, hello  
Why does everybody get so mad?  
Yellow, yellow  
It's the colour for the battle in my head  
I need pink in my life like love in my heart  
Silver in the sky as we rock with the stars  
We just cant keep fighting anymore  
No, no, no
- R: We're the colours...
