Jessie James Decker

I hang in my blue jeans  
I sway in my blue jeans  
Representing daughters  
So I twang in my blue jeans  
Who likes my blue jeans?  
You like my blue jeans  
Specially when I wear my  
Cowboy boots with my

I, I'm so fly  
I got a fresh new pair that's so tight  
{uh} I, I'm so fly  
I got a fresh new pair that's so tight {oh}

I got a brand new pair of old blue jeans  
Me and my posse looking fresh and so clean  
Headed out, rocking 'till the early morning  
Even my sugar was sweet before me  
{hey, hey} Don't matter what you wearing  
{hey, hey} It's about the way you wear it  
{hey, hey} Don't matter what you wearing  
{hey, hey} It's about the way you

I sing in my blue jeans  
Bling in my blue jeans  
When I hit the country club  
I get in free with my

Oh, I'm like whoa  
I got a fresh new pair that's so dope  
Oh, I'm like whoa

I got a brand new pair of old blue jeans  
Me and my posse looking fresh and so clean  
Headed out, rocking 'till the early morning  
Even my sugar was sweet before me  
{hey, hey} Don't matter what you wearing  
{hey, hey} It's about the way you wear it  
{hey, hey} Don't matter what you wearing  
{hey, hey} It's about the way you

Y'all ready for this?  
Hey, Hey, Hey, Hey, Hey, Hey  
When I bend and snap  
When I step and clap  
Everybody asks, 'Who is that?'  
When I'm out in public  
Everybody loves it  
I know what they wondering  
When I bend and snap  
When I step and clap  
Everybody asks, 'Who is that?'

When I'm out in public  
Everybody loves it  
I know what they wondering

I look rich in my blue jeans  
Slap a (ow!) in my blue jeans  
Boys looking as I rock my hips in my  
I tease in my blue jeans

And when I blow up  
I'm getting free cause of my
