

Coming Home

Jessie James Decker

Mmm, yeah

Hey

I know it's only been a little while
Baby, I really need to see your smile
Feels like forever when I'm away from you
Let me tell you what I'm gonna do

Oh, oh, oh

Oh, oh, oh

I'm coming home, gonna give you what you want
Cause I need your love, I don't wanna be alone
I'm gonna fly to you, just like I always do
I'm lost without you, you know
I'm coming home
I'm coming home, yeah

Baby, you can keep me up all night
A pillow tucked in by the candlelight
No need to tell you, you already know
What to do and where to go

Oh, oh, oh

Oh, oh, oh

I'm coming home, gonna give you what you want
Cause I need your love, I don't wanna be alone
I'm gonna fly to you, just like I always do
I'm lost without you, you know
I'm coming home
I'm coming home, yeah

Just need to see your face
Can't waste another day
There's nothing left to say
Just take my breath away
Oh

I'm coming home, gonna give you what you want
Cause I need your love, I don't wanna be alone
I'm gonna fly to you, just like I always do
I'm lost without you, you know
I'm coming home
Mmm, yeah
I'm coming home
I'm coming home, yeah
