

Girl On the Coast

Jessie James Decker

Summer, summer time
And the feeling is crazy
And I'm living easy
And the sun, the sun it shines
Was only here for the weekend
But I'm never leaving

Take me down to the beach
By the coconut tree
Your hand in my hand
Lemon in my iced tea
Rolling in the sand
Salty kisses on my tan
And we're sipping on mojitos
With sand in my toes
Summer boys on the shore
Nowhere to go
Just a girl on the coast
I'm just a girl on the coast
And I'm singing hey I'm okay
But if you want me this is where I'm gonna be
I'm just a girl on the coast

Blue how blue is the sky
Palm trees are shading
And the sun is blazing
And I close I close my eyes
I hear the waves are crashing
And I'm hear relaxing

Take me down to the beach
By the coconut tree
Your hand in my hand
Lemon in my iced tea
Rolling in the sand
Salty kisses on my tan
And we're sipping on mojitos
With sand in my toes
Summer boys on the shore
Nowhere to go
Just a girl on the coast
I'm just a girl on the coast
And I'm singing hey I'm okay
But if you want me this is where I'm gonna be
I'm just a girl on the coast

I have never felt so free
I'm happy here swimming in the sea
I guess the mermaid life is just for me

Take me down to the beach
By the coconut tree
Your hand in my hand
Lemon in my iced tea
Rolling in the sand
Salty kisses on my tan
And we're sipping on mojitos

With sand in my toes
Summer boys on the shore
Nowhere to go
Just a girl on the coast
I'm just a girl on the coast
And I'm singing hey I'm okay
But if you want me this is where I'm gonna be
I'm just a girl on the coast
Yeah I'm singing hey I'm okay
But if you want me this is where I'm gonna be
I'm just a girl on the coast
