## **Girl On the Coast**

## Jessie James Decker

Summer, summer time And the feeling is crazy And I'm living easy And the sun, the sun it shines Was only here for the weekend But I'm never leaving

Take me down to the beach By the coconut tree Your hand in my hand Lemon in my iced tea Rolling in the sand Salty kisses on my tan And we're sipping on mojitos With sand in my toes Summer boys on the shore Nowhere to go Just a girl on the shore Nowhere to go Just a girl on the coast I'm just a girl on the coast And I'm singing hey I'm okay But if you want me this is where I'm gonna be I'm just a girl on the coast

Blue how blue is the sky Palm trees are shading And the sun is blazing And I close I close my eyes I hear the waves are crashing And I'm hear relaxing

Take me down to the beach By the coconut tree Your hand in my hand Lemon in my iced tea Rolling in the sand Salty kisses on my tan And we're sipping on mojitos With sand in my toes Summer boys on the shore Nowhere to go Just a girl on the shore Nowhere to go Just a girl on the coast I'm just a girl on the coast And I'm singing hey I'm okay But if you want me this is where I'm gonna be I'm just a girl on the coast

I have never felt so free I'm happy here swimming in the sea I guess the mermaid life is just for me

Take me down to the beach By the coconut tree Your hand in my hand Lemon in my iced tea Rolling in the sand Salty kisses on my tan And we're sipping on mojitos With sand in my toes Summer boys on the shore Nowhere to go Just a girl on the coast I'm just a girl on the coast And I'm singing hey I'm okay But if you want me this is where I'm gonna be I'm just a girl on the coast Yeah I'm singing hey I'm okay But if you want me this is where I'm gonna be I'm just a girl on the coast
