

# Hungry

Jessie James Decker

Baby, you remember when  
We could barely even pay our rent  
We were cruisin' on gas fumes  
In Cadillacs on 22s  
Oh, ooo-ooo-ooo  
Singin' in bars, payin' our dues  
Ooo-ooo-ooo  
Oh, life was hard, but it was me and you

When we were hungry  
We would do anything  
When we were hungry  
We would do anything

I fought every day, doin' what we had to do  
When everybody said no  
Throw our heads back, we'll show you  
And I'll never forget  
That I'm a girl from Georgia  
Mama always said, "Girl do what I told ya"  
You get back what you put in  
And it takes me back to when

When we were hungry  
We would do anything  
When we were hungry  
We would do anything  
Ooo-ooo-ooo  
Ooo-ooo-ooo

And if we lost it all  
In fifteen years (fifteen years)  
And baby, I know you know  
I'll still be here (I'll still be here)  
And if we lost it all  
In fifteen years (ooo-ooo-ooo)  
And baby, I know you know  
I'll still be here  
Just like when

When we were hungry  
We would do anything  
When we were hungry  
We would do anything

Ooo-ooo-ooo  
Ooo-ooo-ooo  
Ooo-ooo-ooo  
Ooo-ooo-ooo
