

# I Look So Good (Without You)

Jessie James Decker

Hey boy, I would have thought that  
When you left me I'd be broken  
With my confidence gone, so gone

Hey boy, I would have thought that  
When you said that you don't want me  
I'd feel ugly and sense something was wrong

Standing in front of the mirror  
My skins never been clearer  
My smiles never been whiter

I look so good without you  
Got me a new hair due  
Looking fresh and brand new  
Since you said that we were through

Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye

I look so good  
I look so good without you  
I look so good  
I look so good without you

Hey, I never would have thought that  
When you left me I'd feel sexy  
And so good in my skin again

And I never would have known that  
I'd be dreaming so much better  
Without you in my head

Standing in front of the mirror  
My clothes never fit better  
My, but I've never been louder

I look so good without you  
Got me a new hair due  
Looking fresh and brand new  
Since you said that we were through

Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye

I look so good  
I look so good without you  
I look so good  
I look so good without you

Now baby, my body's looking better than before  
Ain't biting my nails since you walked out of the door  
I realize now I deserve so much more than what you give

Than what you give

I look so good without you  
Got me a new hair due  
Looking fresh and brand new  
Since you said that we were through

I look so good without you  
Got me a new hair due  
Looking fresh and brand new  
Since you said that we were through

Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye

Without you  
Got me a new hair due  
Looking fresh and brand new  
Since you said that we were through

Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye

I look so good  
I look so good without you  
I look so good  
I look so good without you
