## I Look So Good (Without You)

## Jessie James Decker

Hey boy, I would have thought that When you left me I'd be broken With my confidence gone, so gone

Hey boy, I would have thought that When you said that you don't want me I'd feel ugly and sense something was wrong

Standing in front of the mirror My skins never been clearer My smiles never been whiter

I look so good without you Got me a new hair due Looking fresh and brand new Since you said that we were through

Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye

I look so good
I look so good without you
I look so good
I look so good without you

Hey, I never would have thought that When you left me I'd feel sexy And so good in my skin again

And I never would have known that I'd be dreaming so much better Without you in my head

Standing in front of the mirror My clothes never fit better My, but I've never been louder

I look so good without you Got me a new hair due Looking fresh and brand new Since you said that we were through

Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye

I look so good
I look so good without you
I look so good
I look so good without you

Now baby, my body's looking better than before Ain't biting my nails since you walked out of the door I realize now I deserve so much more than what you give Than what you give

I look so good without you Got me a new hair due Looking fresh and brand new Since you said that we were through

I look so good without you Got me a new hair due Looking fresh and brand new Since you said that we were through

Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye

Without you

Got me a new hair due

Looking fresh and brand new

Since you said that we were through

Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye
