

My Santa Claus

Jessie James Decker

If you will be my Santa Claus
I will be your Mrs. Claus, baby
I would do what you want
Make you a pie, write you a song, honey
I've been working so hard, being so good
Sugar pie, honey bun, darling
If you will be my Santa Claus
I will be your Mrs. Claus, I'll make you happy
It's Christmastime, winter luck
Make some toys, dress me up, let's get crazy
I've been working so hard, being so good
Candy cane, pumpkin crumb, sweetie

Cause I love the way you love me
You're not afraid to show me
How we can be funny
My Santa baby

If you will be my Santa Claus
I will be your Mrs. Claus, baby
Put your velvet red suit on
Long white beard, ain't this fun, honey?
Naughty or nice, it's up to you
Mistletoe, whatever you choose, baby

Cause I love the way you love me
You're not afraid to show me
How we can be funny
My Santa baby
Ooh I love the way you love me
You're not afraid to show me
How we can get crazy
My Santa baby
