

## Swan Song

Jessie Ware

Lose yourself in the glow,  
Rise and fall, breath in slow.  
Oh oh oh.  
Left the sky paint it all,  
Fall your eyes, fall our souls  
Fall our souls.

Hear my swan song  
Oh oh, it was my mistake  
Catch a kiss now,  
Swan song  
Help me to escape.

You caused your spell,  
With stories told  
Promises, will they unfold?

Hear my swan song  
Oh oh, it was my mistake  
Catch a kiss now,  
Swan song  
Help me to escape.

I still hope eyes will fall  
Out the line, out the line  
Help me glow  
It's alright  
It's alright.

Hear my swan song  
Oh oh, it was my mistake  
Catch a kiss now,  
Swan song  
Help me to escape.
