Wildest Moments

Jessie Ware

You and I - bloodlines We come together every time Two wrongs, no rights We lose ourselves tonight

From the outside, from the outside Everyone must be wondering why we try Why do we try

Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all

Wait on, thunder sky Wherever there's smoke, there'll soon be fire What could bring bad luck I've been looking at you too much

From the outside, from the outside Everyone must be wondering why we try Why do we try

Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all

In the middle of it We walk, we walk on line Looking back i miss it Our wildest moments Are you thinking what if What if we ruined it all My wrecking ball

From the outside, from the outside Everyone must be wondering why we try Why do we try

Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all Maybe in our wildest moments We could be the greatest, we could be the greatest Maybe in our wildest moments We could be the worst of all Tištěnoz www.txp.cz Sponzor
