

Pull My Hair Back

Jessy Lanza

If you wanna love
If you wanna love
Let me pull my hair back
If you wanna love
So that I could fall
Just let me pull my hair back
Yeah

Oh, oh, oh-oh
Hmm, oh-oh, oh-oh
Yeah
If you cheat, don't you lie
Cause I don't give a fuck, what you do
If you cheat, don't you lie
Cause baby I don't give a fuck what you do
Oh-oh, oh-oh

If you want my love
If you want my love
Let me pull my hair back
Oh-oh, oh-oh
If you want my love
Cause you give me love
Let me pull my hair back
Oh oh-oh, oh, oh-oh, oh, oh-oh

Tell me what you want
Tell me what you want
Baby I could do that
I could do that

If you cheat, don't you lie
Cause baby I could do that

Oh, oh, oh-oh
Hmm, oh-oh, oh-oh
Yeah

If you want my love
If you want my love
Let me pull my hair back
Oh-oh, oh-oh
If you want my love
Cause you think you can stomach that
Let me pull my hair back
Oh oh-oh, oh, oh-oh, oh, oh-oh

If you cheat, don't you lie
Baby you don't know what you do
If you cheat, don't you lie
Cause baby you don't know what you do
Oh-oh, oh-oh
