

Silent Tears

Jessy

Like A Long And Distant Memory
Fading In My Mind
I Forgot All There's About You
Never Looking Behind
Now All There Is Left For Me To See
The Pain In Your Eyes Staring At Me

Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart

Seeking For A New Thrill
To Spend My Days
I Tried To Kill All My Dreams
In Oh So Many Ways
I Know That You Sometimes Think Of Me
But I've Moved On Can't You Let Me Be

Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart

Like A Long And Distant Memory
Fading In My Mind
I Forgot All There's About You
Never Looking Behind
Now All There Is Left For Me To See
The Pain In Your Eyes Staring At Me

You No Longer Play The Leading Part
The Game Is Over You Hold No More Cards

Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
Silent Tears, Running From My Eyes
Too Many Desperate Lies, Have Broken My Heart
