What if it's you that I want You that I need Tell me what I shoud do So I can finally get my hands on you I know you have just what it takes To satisfy my crave When your eyes meet mine Something happens I can't explain A sudden feeling of desire coming over me This physical attraction knocks me off my feet You seduce me You confuse me I'm waiting 'till you'll make your move Don't you need me like I need you I don't know what to do What if it's you that I want You that I need Tell me what I shoud do So I can finally get my hands on you What if it's you that I want You that I need Tell me what I shoud do So I can finally get my hands on you What if it's you that I want You that I need Tell me what I shoud do So I can finally get my hands on you Your lips touched mine and the ground disappeared From underneath my feet I never imagined our hands would fit so perfectly I'm feeling kind of strange Like nothing I've ever felt before Could I be that much in love It makes my body soar You seduce me you Confuse me I'm waiting 'till you make your move Don't you need me Like I need you I don't know what to do What if it's youthat I want You that I need Tell me what I should do

So I can finally get my hands on you

What if it's you that I want

You that I need

Tell me what I shoud do  $\label{eq:solution} \text{So I can finally get my hands on you}$ 

What if it's you that I want
