## Jesus Culture

Find me here, speak to me  
I want to feel you I need to hear you  
You are the light that is leading me  
To the place where I find peace again

You are the strength that keeps me walking  
You are the hope that keeps me trusting  
You are the life to my soul  
You are my purpose you are everything

How can I stand here with you  
And not be moved by you  
Should you tell me how could it be any better than this

How can I stand here with you  
And not be moved by you  
Should you tell me how could it be any better than this

Cause you're all I want, you're all I need  
Everything, everything
