

# I Belong to You

Jesus Culture

You can be the One that steals my heart  
With just a simple thought of who You are  
Let Your light shine in the darkest parts  
Let Your love fill the world

You can be the fire down in my soul  
That I can't contain, that I can't control  
Would You fill me up to overflow  
Let Your love fill the world

And I belong to You  
Forever, I belong to You

Let Your Words be like a burning flame  
Come in close to touch my heart again  
The whole earth trembles at the sound of Your name  
Let Your love fill the world

All I want is more of You  
Your breath is life, Your word is truth  
Your glory here is bursting through  
Let Your love fill the world

And You have set my heart on fire  
My love and my desire  
Only for You

And as Your glory fills this place  
Your love we will embrace  
Only for You, for You
