I think I know what you mean and although it sounds obscene I will always do my best to understand You have so many words and your voice is always heard But who can say they really understand?

Real, real, real, do you feel real?

And if so, I'd like to know

How to feel real, real, do you feel real?

And if so, I'd like to know

Well, you say you have a big love and it really sounds like fun If I knew what it was then I'm sure I'd like to have one Give me a sign that you feel some emotion

Real, real, real, do you feel real?

And if so, I'd like to know

How to feel real, real, do you feel real?

And if so, I'd like to know

Say what you like you know that no one really minds And if there's nothing to say then Why don't we all go away?

Do you, do you, do you feel real, real?

Real, real, real, do you feel real?

And if so, I'd like to know

How to feel real, real, do you feel real?

And if so, I'd like to know

But if there's nothing to say then Why don't we all go away?

Real, real, real, do you feel real?

And if so, I'd like to know

How to feel real, real, do you feel real?

And if so, I'd like to know

Do you, do you, do you feel real?
