

# Right Here, Right Now

Jesus Jones

A woman on the radio talks about revolution  
When it's already passed her by  
Bob Dylan didn't have this to sing about you  
You know it feels good to be alive  
I was alive and I waited, waited  
I was alive and I waited for this  
Right here, right now, there is no other place I wanna be  
Right here, right now, watching the world wake up from history  
I saw the decade in, when it seemed  
The world could change at the blink of an eye  
And if anything then there's your sign  
Of the times  
I was alive and I waited, waited  
I was alive and I waited for this  
Right here, right now  
I was alive and I waited, waited  
I was alive and I waited for this  
Right here, right now, there is no other place I wanna be  
Right here, right now, watching the world wake up from history  
Right here, right now, there is no other place I wanna be  
Right here, right now, watching the world wake up from history  
Right here, right now, there is no other place I wanna be  
Right here, right now, watching the world wake up
