

Church of Extasy

Jesus On Extasy

I never talk scandal, I only talk gossip.
I am the new god, your children will worship.
I'll be the light guiding you through the night.
And I'll be the darkness surrounding your mind.

Give me a

J, gimme a J,
Give me an O,
Give me an E,
This is Jesus on Extasy.

Just lose your mind,
Lose control,
Get on the ride,
Enjoy the show,
In the church of Extasy.

I'm the new boyfriend,
Your daughter comes home with.
I am the voice in your head.
And you hate it!
I am the conscience that you never hear.
And I am the rockstar, that you'll learn to fear!

Give me a

J, gimme a J,
Give me an O,
Give me an E,
This is Jesus on Extasy.

Just lose your mind,
Lose control,
Get on the ride,
Enjoy the show,
In the church of Extasy

All the people,
like to hate us!

Give me a

J, gimme a J,
Give me an O,
Give me an E,
This is Jesus on Extasy.

Just lose your mind,
Lose control,
Get on the ride,
Enjoy the show,
In the church of Extasy.
