

# Nowhere Girl

Jesus On Extasy

Nowhere girl  
You're living in a dream  
Nowhere girl  
You stay behind the scenes  
Nowhere girl  
You never go outside  
Nowhere girl  
'Cause you prefer to hide

Every day  
Every night  
In that cold familiar light  
You are not when I call you at home  
And I try to get through  
And I try to talk to you  
But there's something stopping me from getting through

Nowhere girl  
Watch you as you eat  
Nowhere girl  
All functional and neat  
Nowhere girl  
You never go outside  
Nowhere girl  
'Cause you prefer to hide

Every day  
Every night  
In that cold familiar light  
You are not when I call you at home  
And I try to get through  
And I try to talk to you  
But there's something stopping me from getting through

She never knew her life went nowhere  
She always thought that she'd belong somewhere

Nowhere girl  
You're living in a dream  
Nowhere girl  
You stay behind the scenes  
Nowhere girl  
You never go outside  
Nowhere girl  
'Cause you prefer to hide
