

Stuck

Jesus On Extasy

I feel alive,
I know I've wasted too much time.
I feel alive,
I know I've wasted too much time.

Can you show me the way to leave this world?
Can you show me the way to escape?

I feel alive,
I know I've wasted too much strength.
I struggled with death
And all I got were five more years
So fuck it.

Can you show me the way to leave this world?
Can you show me the way to escape?

I feel alive,
I know I've wasted too much love.

I wasted love.
I wasted.
I wasted love.
I wasted.

I'm stuck in here.
I'm stuck on you.
I'm stuck in a dream which never comes true.

I feel ashamed for I never told the truth,
I feel complete for I finally found you.

Can you show me the way to leave this world?
Can you show me the way to escape?
And I'll follow you.

I'm stuck in here.
I'm stuck on you.
I'm stuck in a dream which never comes true.

Don't wake me up 'cos I don't want to see the truth
Don't wake me up 'cos I don't want to see the truth
Don't wake me up 'cos I don't want to see the truth
Don't wake me up 'cos I don't want to see the truth

Don't wake me up
Don't wake me up
Don't wake
Don't wake
Don't wake
Don't wake
Don't wake
Don't wake me up!

I'm stuck in here.
I'm stuck on you.
I'm stuck in a dream which never comes true.

I'm stuck in here.
I'm stuck on you.
I'm stuck in a dream which never comes true.
