

Hey Kids

Jet

Hey kids
You did it all yourselves
You never changed the world
So whatcha think about that?
Hey Dad
The suit is on your back
So take ya boots off my neck
And get back to ya money stack
Hey kids fake it
I saw you wearin' flares
Turned that to shit
You used to have long hair
Hey old man
Remember Vietnam
Ya hated Vietnam
But ya dig Afghanistan
Hey kids
You did it all yourselves
You can't turn around now
No no, now blame it on someone else
Woo-oo-oo-oo-oo-oo-oo-oo-oo-oo-oo
