

Last Chance

Jet

You ain't nothing to me if you got nothing to say
I don't know what you got that I can use anyway

Last chance honey
Last chance honey
This is your last chance honey
Last chance honey
This is your last chance

You ain't nothing to me so keep your money in check
I got something for you that you ain't never gonna get
So come on

Last chance honey
Last chance honey
This is your last chance honey
Last chance honey
This is your last chance
