

She's a Genius

Jet

My girl is ready to take control
She just blows my mind
She only listens to the radio to see who's alive
Yeah!

She wakes up scared of getting old
She don't feel no shame
She knows so many pretty boys
but they are all the same

They said "Oh, hey there girl, tell me what do you do"
She says "um, nothing but I'm damn sure it's more than you"

That girl is a genius
Who o o o o ohw
I think she's serious
Who o o o o ohw

What you know is who you are
and she's anything
You don't need an education to know the class that you're in

They said "Hey there, girl, tell me what do ya do?"
She says "nothing, but I'm damn sure it's more than you"

That girl is a genius
Who o o o o ohw
I think she's serious
Who o o o o ohw
That girl is a genius
Who o o o o ohw
I think she's serious
Who o o o o o o ohw

[Solo]

Hey there boy come over and sit
Love is when you wanna kiss and you get bit

That girl is a genius
Who o o o o ohw
I think she's serious
Who o o o o ohw
That girl is a genius
Who o o o o ohw
I think she's serious
Who o o o o ohw

That girl is a genius
That girl is a genius
That girl is a genius
Who o o o o o o ohw
