

## Shine On

Jet

Please don't cry  
You know I'm leaving here tonight  
Before I go I want you to know that there will always be a light

And if the moon had to runaway  
And all the stars didn't wanna play  
Don't waste the sun on a rainy day  
The wind will soon blow it all away yeah

So many times I'd planned  
To be much more than who I am  
And if I let you down I will follow you 'round until you understand

That if the moon had to runaway  
And all the stars didn't wanna play  
Don't waste the sun on a rainy day  
The wind will soon blow it all away  
yeah oh yeah

When the days all feel the same  
Don't feel the cold or wind or rain  
Everything will be okay  
We will meet again one day  
I will shine on, for everyone

So please don't cry  
Although I leave you here this night  
Where ever I may go how far I don't know  
I will always be your light

And if the moon had to runaway  
And all the stars didn't wanna play  
Don't waste the sun on a rainy day  
The wind will soon blow it all away  
yeah oh yeah

When the days all seem the same  
Don't feel the cold or wind or rain  
Everything will be okay  
We will meet again one day  
I will shine on, for everyone  
shine on, for everyone  
When the stars all look the same  
Don't feel the cold or wind or rain  
Everything will be okay  
We will meet again one day  
I will shine on, for everyone  
shine on, for everyone
