

## Timothy

Jet

Timothy, I took your place  
Timothy, cause it's such a waste  
Timothy, we found your spaceship  
Timothy, it's the farthest you've ever flown

Never used your head  
To find out what this whole thing meant

It's not what it seems  
But it is  
Timothy where have you been?  
Timothy where have you been?

Timothy, where did you go?  
Timothy, the boy can throw  
Timothy, we found your spaceship  
Timothy, did it hurt when you hit the ground

Never used your legs  
To walk round in this whole big mess

It's not what it seems  
But it is  
Timothy where have you been  
She cried in the kitchen  
To let you go  
Timothy where have you been

Missed your photo  
Missed your birthday too  
Missed your photo

It's not what it seems  
But it is  
Timothy where have you been

She cried in the kitchen  
To let you go  
Timothy where have you been

Missed your photo  
Missed your birthday too  
Missed your photo
