

You Were Right

Jet

Spoke To My Friend
He Said: Why You Feeling down
You Gotta Give Up Your Love
Up And Find The Shoe
That Finds You

Spoke To My Dad
He Said: It's a Reason To Make You Sad
Gotta Put Your Hand Down
Where Do You Found It

In Your Day
You Were Right
And There Is No Time
To Drunk Up The Phone And Die
Try To Make It Right
So Do It Fast
As Long As It Someone To Make
What I Make right

Spoke To Some Girl
She Said: Man I Gonna Hurt
Can't Be Much Fun
Stand There And Watch While She's Sleeping

You Were Right
And There Is No Time
To Drunk Up The Phone And Die
Try To Make It Right
So Do It Fast
As Long As It Someone To Make
What I Make right

I Have To Replay
And You Know That I Could Lie
But I Feel Even Down
When I'm Sleeping
But Watch Me Creeping Yeah Yeah

You Were Right
And There Is No Time
To Drunk Up The Phone And Die
Try To Make It Right
So Do It Fast
As Long As It Someone To Make
What I Make right
