

## And Further On

Jethro Tull

We saw the heavens break  
And all the world go down to sleep  
And rocks on mossy banks  
Drip acid rain from craggy steeps.  
Saw fiery angels kiss the dawn,  
Wish you goodbye till further on,  
Will you still be there further on?

And troubled dynasties,  
Like legions lost, have blown away.  
Hounds hard upon their heels,  
Call to their quarry wait and play.  
Before the last faint light has gone:  
Wish you goodbye till further on,  
Will you still be there further on?

The angry waves grow high  
Cut icy teeth on northern shores.  
Brave fires that flicker, cough  
Give way to winds  
Through broken doors.  
And with the last line almost drawn:  
Wish you goodbye till further on.  
Will you still be there further on?
