

## To Cry You a Song

Jethro Tull

Flying so high, trying to remember  
How many cigarettes did I bring along?  
When I get down I'll jump in a taxi cab  
Driving through London town  
To cry you a song.

It's been a long time  
Still shaking my wings.  
Well, I'm a glad bird  
I got changes to ring.

Closing my dream inside its paper-bag.  
Thought I saw angels  
But I could have been wrong.  
Search in my case,  
Can't find what they're looking for.  
Waving me through  
To cry you a song.

It's been a long time  
Still shaking my wings.  
Well I'm a glad bird  
I got changes to ring.

Lights in the street,  
Peeping through curtains drawn.  
Rattling of safety chain taking too long.  
The smile in your eyes was never so sweet before  
Came down from the skies  
To cry you a song.
