

## 2 Become 1

Jewel

I watch u while you're sleeping  
Messy hair, chest bare, moonlight on your skin  
I wanna breathe u in  
In the silence, words come easy  
I can tell u now just how simple it's been 2 let u in  
Don't move, this mood is a painting  
We'll never find the same thing

Love, do not make a sound  
Melt into me now  
2 become 1

Love is so close 2 hurting  
With a shake we could wake from our own dreaming  
But we must make a vow  
'Cause I have waited a lifetime  
Now is the right time

Love, do not make a sound  
Melt into me now  
2 become 1

Love, let's make time stand still  
Let this moment last until  
2 become 1

Like a bird owns its wings  
Like a song belongs 2 melody  
U belong 2 me  
I fold your arms around me  
Let your flesh, your breath, your love, surround me  
Oh, u feel like home

Love, do not make a sound  
Melt into me now  
2 become 1
