

# Stay Here Forever

Jewel

I'm laying here dreaming, staring at the ceiling  
Wasting the day away  
The world's flying by our window outside  
But hey baby that's okay  
This feels so right, it can't be wrong so far as I can see  
Where you wanna go  
Baby, I'll do anything

'Cause if you wanna go  
Baby, let's go  
If you wanna rock,  
I'm ready to roll  
And if you wanna slow down,  
We can slow down together  
If you wanna walk,  
Baby, let's walk  
Have a little kiss,  
Have a little talk  
We don't gotta leave at all  
We can lay here forever  
Stay here forever, oh

If you want to see that Italian tower leaning  
Baby, we can leave right now  
If that's too far, we can jump in the car  
And take a little trip around town  
They say that California is nice and warm this time of year  
Baby, say the word and we'll just disappear

'Cause if you wanna go  
Baby, let's go  
If you wanna rock,  
I'm ready to roll  
And if you wanna slow down,  
We can slow down together  
If you wanna walk,  
Baby, let's walk  
Have a little kiss,  
Have a little talk  
We don't gotta leave at all  
We can lay here forever  
Stay here forever, oh

What's a big world,  
for a boy and a girl  
Letting go of it all  
Holding on to one another  
Or there's a whole nother' world to discover  
Under the covers

So if you wanna go  
Baby, let's go  
If you wanna rock,  
I'm ready to roll  
If you wanna slow down,  
We can slow down together  
If you wanna walk,

Baby, let's walk  
Have a little kiss,  
Have a little talk  
We don't gotta leave at all  
We can lay here forever  
Stay here forever, oh  
Let's just lay here forever  
Stay here forever, oh
