

## What's Simple Is True

Jewel

Turn to me with frozen lips  
Your hands are icy cold  
Your eyes burn bright against the frost-bit sky  
You never seemed more lovely than you do tonight  
Pale on the horizon  
Like leaves frozen in the snow  
Our two shadows merge inseparably  
Will time stand still if it's pierced with cold  
The more I live  
The more I know  
What's simple is true  
I love you

There's a warmth in my heart  
It haunts me when you're gone  
Mend me to your side and never let go  
Say 'Time knows nothing, we'll never grow cold'  
The more I live  
The more I know  
What's simple is true  
I love you

Twilight descends on our silhouette  
How soon spring comes  
How soon spring forgets  
I wanna hold time, say it'll never begin  
Old man winter be our friend  
Old man winter be our friend  
'Cause the more I live  
The more I know  
What's simple is true  
What's simple is true  
I love, I love you
