Jhené Aiko

Out of place, out of space & time
Wide awake out of papers, I am
Not okay, I am out my mind
Outer space, that's where
I've been going
To a place where
Place where nobody knows
Floating, at a pace where
Now you see me, and now you don't

I do not feel the fear of falling
I wanna fly
If it all goes well, then I will
But what if I don't?
I'll be right where I was before
But I'm not alone
You say "take my hand"
And we go (and we go)
And we go (and we go)
And I hope that we don't overdose
Cause we don't (cause we don't)
No we don't (no we don't)
Ever know when we have had enough

Wait
Now my thoughts so cloudy
And my heart's so crowded
With pain
I am so frustrated
Like my soul's been taken away
Broken promise of everything
That I thought you were
Thought you said this would never hurt
That's what it did
That is all

I do not feel the fear of falling
Thought I could fly
It didn't go well, but oh well
What do you know?
I'm right back where I was before
But I'm not alone
You say "take my hand"
And we go (and we go)
And we go (and we go)
And I hope that we don't overdose
Cause we don't (cause we don't)
No we don't (no we don't)
Ever know when we have had enough

I'm a be so cold
Need some more
I've never felt these things before
I'm a think, for sure
Please don't go
How could you not need me no more?
I don't get it

You're the only thing that I love
You're the only thing that I want
You're the only reason
The only reason

I do not feel the fear of falling
I wanna fly
If it all goes well, then I will
But what if I don't?
I'll be right where I was before
You're all that I know
