

Living Room Flow

Jhené Aiko

I'm so glad you called right on time
Must have just read my mind
If we skip the small talk, want you now
But I don't have to stay til mornin'
I don't have to, I don't have to pack no clothes
I am really not that lonely
We're finished, we're finished and I will go

It's whatever you want
I wanna, I wanna please you most
Whatever, whatever turns you on, ah
Just let me know
You are so creative
Knowing that you're makin'
Love to me, you do me
Like no ones ever done it
That is why I want it all the time
I don't want your heart or your love
Just do what you do to my body
I just wanna ...
That is all I want

If these walls could talk
They'd say pick me up
And put me on a
This bed's way too soft, it's time to get off
Keep it goin', keep it comin', keep me comin'
Make me want it, don't you want it? Don't you love it?
How you want it? Where you want it? Where we goin'?
Oh, living room floor, ohhh

It's whatever you want
I wanna, I wanna please you most
Whatever, whatever turns you on, ah
Just let me, just let me know
You are so creative
Knowing that you're makin'
Love to me, you do me
And no ones ever done it
That is why I want it all the time
I don't want your heart or your love
Just do what you do to my body
I just wanna ...

You are so creative
Knowing that you're makin'
Love to me, you do me
And no ones ever done it
That is why I want it all the time
I don't want your heart or your love
Just do what you do to my body
I just wanna...
That is all I want
That is all I want

Not your love, not year heart, I just want you to start
And do what you do to my body

Do what you do to my body
I love what you do to my body
Just wanna fuck
