

My Mine

Jhené Aiko

Yeah, yeah yeah yeah
Yeahh, yeahh, yeahh, ehh, eh

Memories sinkin, deep in, leakin, in my mine
All of the time, tried to forget you
Thought i could get you to be mine
Memories sinkin, deep in, leakin, in my mine
All of the time, i can't forget to
Try to forget you in my mind

Pretending I have the patience
Pretending there is enough time for waiting
Remembering when we kept it all basic
I wanna go back so bad i can taste it
What do i care for?
You are not there anymore
I was not careful,
That is all your fault
You let me fall

Memories sinkin, deep in, leakin, in my mine
All of the time, tried to forget you
Thought i could get you to be mine
Memories sinkin, deep in, leakin, in my mine
All of the time, i can't forget to
Try to forget you in my mind

Buried alive here inside a nightmare
Living a life where you're gone
There is no light here, it will be light-years
Until my minds clear, you're gone
I did it all for love
I did it all,
I'd trade it all for you,
I'd trade all
But what do i care for?
What are you here for?
If you're not there when i call
I was not careful
And that's all your fault,
You let me fall

Memories sinkin, deep in, leakin, in my mine
All of the time, tried to forget you
Thought i could get you to be mine
Memories sinkin, deep in, leakin, in my mine
All of the time, i can't forget to
Try to forget you in my mind

This ain't how it's sposed to be
You and me supposed to be
Remember when it be, just you and me in your crib smoking trees
How you took control of me
And you had a hold of me
Had me so gone, baby
Yeah you had me givin' all of me
And now it's all over, it's all done

Shoulda never told ya, you're the one
I'll be alright
I will be just fine,
I'll be okay
Once you get out my mind

Memories sinkin, deep in, leakin, in my mine
All of the time, tried to forget you
Thought i could get you to be mine
Memories sinkin, deep in, leakin, in my mine
All of the time, i can't forget to
Try to forget you in my mind

In my mind, in my mind
