

Stuck Like This

Jhené Aiko

Unfortunately, me and you could not be
More unhappy with each other, it's true
But I-I don't understand what makes such a nice guy turn so cold
And start acting so funny towards me
If had a dime for all of the times
That I tried to call you but you didn't answer the phone
I would be a rich girl
But lonely since you always stay on one, stay on one

Damn, I just don't know what it is
That got me stuck like this
St-st-stuck like this, stuck like this
Damn, it feels like I'm dying
I can't stop crying
What is it that's got me stuck like this?

For some reason I can't slip this grip that you got on my mind
You stay making me weak
Why you treat me so mean? Sometimes you used to be so sweet to me
I can't remember the last time

You told me and kept it real with me
The way you should
You kept it real the way you should
The way you should, you kept it real
You kept it real, kept it real
The way you should, you kept it real

Damn, I just don't know what it is
That got me stuck like this
St-st-stuck like this, stuck like this
Damn, it feels like I'm dying
I can't stop crying
What is it that's got me stuck like this?

Damn, I just don't know what it is
That got me stuck like this
St-st-stuck like this, stuck like this
Damn, it feels like I'm dying
I can't stop crying
What is it that's got me stuck like this?

Damn, I just don't know what it is
That got me stuck like this
St-st-stuck like this, stuck like this
Damn, it feels like I'm dying
I can't stop crying
What is it that's got me stuck like this?

Damn, I just don't know what it is
That got me stuck like this
St-st-stuck like this, stuck like this
Damn, it feels like I'm dying
I can't stop crying
What is it that's got me stuck like this?
