

# I'm A Rhino

Jibbs

You a gold digging (oh)  
I aint messin wit (oh)  
Cuz I'm a Rhino (hey)  
I'm a rhino (oh)  
And I aint no  
You can go find yo and tryin those  
And sign no  
Go' on and throw the digits  
Or I aint messin with no  
Cuz I'm a rhino (hey)  
I'm a rhino  
And I aint no  
To go find no and tryin those  
And sign no (oh)

Ah, my name is Jibbs but they call me mighty trump  
The kid down a house with an outerspace flow  
Stay waved up, poking madden with a flow  
Jag chillin in the back with girls holla at a chump  
Who you know gotta sea with a 3 in double beat  
I write my own stuff never will I need a ghost  
Spit so cold that you prolly need a coat  
And I keep bread til I bring about a house  
Clownin on stage but Jibbs is no hoe  
Lil' Lewis got 'em hangin from a rope  
All my diamonds real, no gold or glass coat  
If you all washed up, don't drop the soap  
Beastaz the music don't bang that low  
It bring ya feet where you can't feel yo toes  
And I'm the hottest - come on keep it on the low  
And they mad cuz I riot and I fly like a crow

You a gold digging (oh)  
I aint messin wit (oh)  
Cuz I'm a Rhino (hey)  
I'm a rhino (oh)  
And I aint no  
You can go find yo and tryin those  
And sign no  
Go' on and throw the digits  
Or I aint messin with no  
Cuz I'm a rhino (hey)  
I'm a rhino  
And I aint no  
To go find no and tryin those  
And sign no (oh)

Spit one's rhymes one to me is like fire  
That's because I gotta spread around like a high  
Jibbs and the whole lil lewis is a \_\_\_\_  
And we keep goin higher til we see ourselves fly  
Spit punch lines, we hit you in ya ear  
When I'm at a concert girls be drawin tears  
Move 'em in the dark no havin no fears  
Callin me a space ship the way I'm switchin gears  
If you a gold digger, I'm platinum plus  
Diamond out bizzle, don't let the platinum rust

Boy perfect timing but I aint gon speak with glocks  
All up in your speakers, they call me speaker box

You a gold digging (oh)

One of me is like 5, so move more than 3  
Back for I gotta make my money increase  
And 5 is the reason why they lock my the key  
So if you aint throwin then you need to catch a chorus  
Keep switchin timbs, keep trees like a forest  
Deal with the rhymes like my sign is a Taurus  
And I'm all about mine, you can keep mindin yours  
Now speak for yourself, I'ma keep goin high

I'ma tell the truth that I don't have to lie  
And I'm beastin my peer I don't think you wanna try
