

Call Collect

Jigsaw

You always tell me what to do
Not to fall in love with you
Why won't you let me make my mind up on my own?

So I called you yesterday
I left a message there to say
That I don't care how much it hurts me
Just you phone

Call collect
I don't care what I pay
Call collect
Please do it right away
Call collect
My lovin', please don't worry if I fall
'Cause I'll collect the tears and heartaches
If you call

So I know you play around
But you're the only girl I found
That I would love to give my love to
All the same

Don't you worry 'bout my heart
It's my decision from the start
And if I end up sad, I've just myself to blame

So, call collect
I don't care what I pay
Call collect
Please do it right away
Call collect
My lovin', please don't worry if I fall
'Cause I'll collect the tears and heartaches
If you call

Call collect
I don't care what I pay
Call collect
Please do it right away
Call collect
I don't care what I pay
Call collect
My lovin' every day
