

## Count Me In

Jigsaw

I didn't know, had nowhere to go  
I wasted my time on fools  
Cheated the game and lost just the same  
Made up then broke the rules  
Ooh, how I needed you, baby  
Ooh, now you've shown me the way

Lead me onto that good time train  
Lay it right on the line  
Deal the cards and let me play your game  
Count me in so life don't count me out  
Love, count me in  
There's losers all about  
Love, let me win  
I said don't miss me out  
Love, count me in, count me in  
Count me

Into the light and out of the night  
You opened up my mind  
Out of the doubt, the sunlight came out  
And you opened up the blind  
Ooh, what you do to me, baby  
Ooh, you know it's driving me mad

Lead me onto that good time train  
Lay it right on the line  
Deal the cards and let me play your game  
Count me in so life don't count me out  
Love, count me in  
There's losers all about  
Love, let me win  
I said don't miss me out  
Love, count me in  
Yeah, count me in  
Count me

In for a penny, in for a pound  
I'll lay a bet on love  
If at the end you're still around  
I'll thank the Lord above  
Ooh, stake my life on you, baby  
Ooh, end the game at love all

Lead me onto that good time train  
Lay it right on the line  
Deal the cards and let me play your game  
Count me in so life don't count me out  
Love, count me in  
There's losers all about  
Love, let me win  
I said don't miss me out  
Love, count me in  
Yeah, count me in  
Yeah, count me in  
Count me in  
Don't miss me out

No, count me in  
Yeah, count me in  
Ooh, don't miss me out  
No, count me in  
Yeah, count me in  
Ooh, count me in
