

Tense and ready, full of desire  
Temples throbbing, adrenaline's higher  
Never scream for the second it will end  
Fire!

Man's progression from the bow and knife  
Still destroying the taker of life  
Will they shoot me or let me live on  
Fire!

A gun speaks for its owner  
A gun speaks for a cause  
A gun speaks for the people  
Or does it just make noise?

Tense and ready, full of desire  
Temples throbbing, adrenaline's higher  
Never scream for the second it will end  
Fire!

A gun speaks for its owner  
A gun speaks for a cause  
A gun speaks for the people  
Or does it just make noise?
