

# Spellbound

Jigsaw

There is something happening  
It's never happened to me  
I can feel it going through me  
Feel it burning me

I can feel a new sensation  
Tearing me apart  
Now I feel it getting to me  
It's getting into my heart

I'm spellbound  
When I look into your eyes  
I'm spellbound  
When I hear your voice  
It's like a magic sound going 'round and 'round

I'm spellbound  
Feel my body start to glide  
I'm spellbound  
Take me on a magic ride  
I'm heaven bound, going 'round and 'round  
'Cause I'm spellbound  
I'm spellbound  
I'm spellbound over you

Yeah, I don't believe in magic  
I don't believe in number 9 potions  
But baby, when you're near me  
I feel the strangest emotion  
And girl, when you hold my hand  
I can't understand  
This feeling comes over me  
Like I'm lost in a dream

I'm spellbound  
When I look into your eyes  
I'm spellbound  
When I hear your voice  
It's like a magic sound going 'round and 'round

I'm spellbound  
Take me on a magic ride  
I'm spellbound  
Feel my body start to glide  
I'm heaven bound, going 'round and 'round  
'Cause I'm spellbound  
I'm spellbound  
I'm spellbound

There is something happening  
(I'm spellbound) It's never happened to me  
(I'm spellbound) I can feel it going through me  
(I'm spellbound) Setting my spirit free

I'm spellbound  
I'm spellbound  
I'm spellbound

I'm spellbound

I'm spellbound
