

You like  
Don't be scared  
You never saw me like this before huh?

I been a goody daddy, but I don't have to be  
If you don't want me to, I'll be your nasty baby

No time for games, no rules just play  
Hope you been thinking about the same thing

I'm just sayin' what's on my mind  
It's been good, but now it's time  
To show love what we made of

No time for games, no rules just play  
I hope you want me in the same way

Every time I close my eyes, all I dream about is  
making love  
I can't even sleep at night, all I dream about is  
making love  
It's just all the things I see, when you're inside of  
me, that keeps my mind going crazy  
I can't even think at night, all I dream about is  
making love

... to you

I love the shower, out by the kitchen sink  
Lay me where you wanna, make my  
knees weak

No time for games, no rules just play  
Hope you been thinking about the  
same thing

I'm just sayin' what's on my mind  
It's been nice, but now it's time  
To show love what we made of

No time for games, no rules just play  
Hope you want me in the same way

Do you want it on the back?, it's like that  
Do you want it on the floor?, lover please  
Tease me please me spank me feed me you  
know what I need baby

I'm just sayin' what's on my mind  
It's been nice, but now it's time  
To show love what we made of  
No time for games, no rules just play  
Hope you want me in the same way

... like that  
... like that

Tease me please me spank me feed me you  
know what I need baby

[Repeat x2]
