

Celibacy Blues

Jill Scott

This here celibacy thing
Lawd, just got something over me
Like an addict, I could really use a thing
You know what I'm talking about
Yeah, yeah, yeah, yeah, yeah, yeah

It's been hard to sleep at night
I'm ying ying ying ying it
Scratching it right
I get some new batteries almost every night
Lawd, this here celibacy thing

The stresses of this world
You know how they come down on a girl
I'm trying to clear my mind
But all I seem to find
Is this gangsta, gangsta, type of need

People say mind over matter
But, I don't mind what they say
And it don't matter
This here celibacy thing
Is working on me...
