

Come See Me

Jill Scott

It's a midsummer night hour and I'm thinkin
about cha babe, wanting you
I wish you could catch a jet plane, I know you
would, if only you could
The finances ain't what we'd like, and
sometimes we have to sacrifice
Cuz I know, it's hard over there where you are
Cuz it's raining over here on the inside of my womb...

... passion and desire baby...
... innumerable fires honey?...
... I got for you, you know that it's true...
Come see me...

I feel like I've been waiting eternity for you
to touch me
I can see it in my mind's eye, how right
and true, this love we'll make
And ooooh, if you ever believed in anything,
believe this is true
I am your woman baby and you are my man, too

I ain't got no questions in my mind, no feelings
of doubt
I believe I've just been waiting all this time to
find out what loves about
And I'm so excited, and a little scared, thinkin'
I'm gonna get overwhelmed every breath?/

Ooh baby I wanna be overwhelmed, I wanna
be overwhelmed, I wanna be...
I wanna feel...

I wanna feel...

...right nowwwwww

I can hardly stay in my skin
It's hard to breath out and in
All this passion, all this desire...
C'mon, c'mon, come see me right now
