

Let It Be

Jill Scott

What do I do
If its Hip Hop if its bebop reggaeton of the
metronome
In your car in your dorm nice and warm
whatever form
If Classical Country Mood Rhythm &
Blues Gospel
Whatever it is, Let It Be Let It Be Whatever it is
Whatever it is Let It
If it's deeper soul If It's Rock & Roll Spiritual
Factual Beautiful Political Somethin to Roll To
Let It Be, Whatever it is, Whatever it is Let It Be
Let It Be Whatever it is Let It Be Let It Be, Let It
Why do do I, I, I, I
Feel trapped inside a box when just don't fit
into it
Maybe I've been scared knowing what's
there, In front of me maybe I been tryin to be
what they needed me to be
When I should of just been me
Why, Why Why Why Why Why
Whatever it is, Let It Be Let It Be Whatever it is
Whatever it is
Whatever it is, Let It Be Let It Be Whatever it is
Whatever it is Let It
