

## Nothing (Interlude)

Jill Scott

I gotta admit sometimes I feel weak for loving you the way I do  
It's beyond me  
I can't control it or force it to be, you know, what I want it  
to be  
I think about you so much when I'm with you and when I'm not  
It's deep, the way, just looking in your eyes just changes my whole perspective  
Nothing is more beautiful than loving you, holding you being next to you  
Kissing your lips taking my time with you  
Nothing is more beautiful than loving you Holding you being next to you  
Moving my hips  
Moving in time with you  
Put of all the things in the world, god gave us to each other  
It's amazing  
You are the king I always imagined  
This is the best time of my life.
